The 2009 Administration Weekend of The **Cobra Group PLC** was held recently and was attended by administrators from all over Australia, New Zealand and Asia. The conference provided a great opportunity to meet, network and challenge the mind and was seen by all as a big success. Operations Manager Michele Jones kicked off the conference with a very inspiring talk while Guest Speaker, Vice President Paul Burkett spoke about "Understanding your Owner", and about the role an Administrator has in their progression. Vice President James Greaves' talk on 'Networking', Michele Jones speaking on 'Effective Communication', sessions on 'Time Management' and 'Goal Setting' etc were the highlights of the meeting. As well as the presenters there were also Organisational Meetings, Organisational Dinners, Special Awards, and Best Dressed Competitions etc. Speaking about the 'Reaching for the Stars' launch of the Administration Academy, Manager Juanita Pappalardo gave an insight into what could be expected in the coming months.
